

# As a result of MGS funding:

## OUTCOMES FOR COLLECTIONS

- 1 Collections will be better managed and cared for \*
- 2 Collections knowledge will be developed and made more accessible
- 3 There will be greater awareness of Scottish museum collections both within the UK and internationally \*

- 4 There will be a wider range of ways to access and engage with Scottish museum collections \*
- 5 Education in Scotland will be enhanced by museum programmes
- 6 A more diverse range of people will be engaging with museum collections
- 7 The health & wellbeing of individuals and communities will be enhanced through participation in Scottish museum activity

## OUTCOMES FOR AUDIENCES

## OUTCOMES FOR THE SECTOR WORKFORCE

- 8 The Scottish museum sector will be supported by a more diverse and skilled workforce
- 9 Scotland's museums will develop more collaborative relationships to share resources and expertise
- 10 Scottish museums will contribute to the development of the sector through innovative and ambitious practice and shared learning \*

- 11 Scotland's museums will be more sustainable because they exploit a more diverse range of funding sources \*
- 12 There will be increased awareness of the positive contribution museums make to society amongst stakeholders and funders \*
- 13 Scottish museums will become more resilient through stronger governance and strategic and financial planning
- 14 Scotland's museums will be operating in more environmentally sustainable ways

## OUTCOMES FOR SUSTAINABILITY

\* These outcomes also align with the objectives of the Recognition scheme. Applicants whose projects are eligible for Recognition Funding should ensure that their project delivers at least one of these six outcomes.
